

REMARKS

Claims 1-22 have been cancelled without prejudice. Claims 23-44 have been added and are pending.

The specification has been amended to include a cross-reference to the parent application and to add an Abstract of the Disclosure (a typographical error is corrected "Parj1" in the Abstract of WO 2005/085278). The paper and computer readable forms of the Sequence Listing do not add new matter, and their contents are the same. It is respectfully submitted that the attached complies with 37 CFR § 1.821 et seq. Otherwise, prompt notice of any defects in the Sequence Listing is earnestly solicited and additional time is requested to comply.

Respectfully submitted,

NIXON & VANDERHYE P.C.
